#### CONDITIONS & LIMITATIONS:

- The aforementioned organization has a perpetual responsibility to maintain compliance with ISO/IEC 27001:2022 and AssurancePoint's terms and conditions outlined in the certification services engagement letter during the period of certification.
- This certificate is subject to the satisfactory completion of annual surveillance audits by AssurancePoint, LLC.
- ISO/IEC 27001:2022 compliance audits are not designed to detect or prevent criminal activity or other acts that may result in an information security breach. As such, this certification should not be construed as a guarantee or assurance that an organization is unsusceptible to information security breaches.
- The information in this document is provided "AS IS," without warranties of any kind. AssurancePoint, LLC expressly disclaims any representations and warranties, including, without limitation, the implied warranties of merchantability and fitness for a particular purpose.
- This certificate is the property of AssurancePoint, LLC and is bound by the conditions of contract. The authenticity of this certificate can be validated by contacting AssurancePoint, LLC.
- This ISO/IEC 27001:2022 certificate does not authorize the labelling of products or services.
